

## Latvijas starpskolu lasīšanas projekts “READING CIRCLE”:

Jau otro mācības gadu (2021./2022.g.) Ventspils 6.vidusskolas 7.a klases skolēnu komanda aktīvi piedalās vērtīgajā projektā “READING CIRCLE”/”LASĪŠANA APLĪ” grāmatu PEARSON izdevniecības un Latvijas Angļu valodas skolotāju asociācijas pārstāvju vadībā.

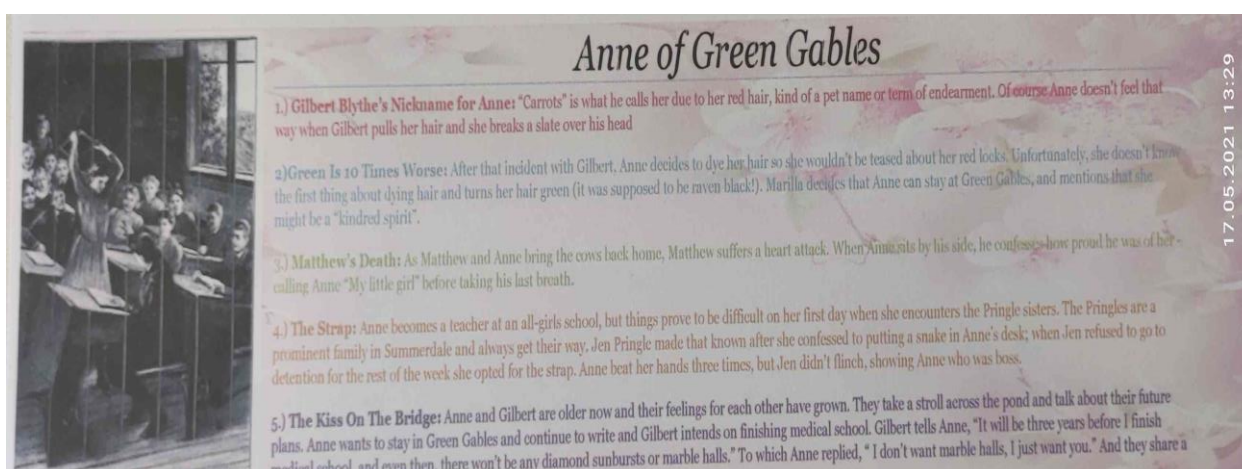

Projekta mērķis – pilnveidot bērnu un jauniešu angļu valodas zināšanas, vienlaikus aicinot pievērsties grāmatu lasīšanai. Lai iekļautos lasīšanas projektā starp astoņām Latvijas skolām, Ventspils 6.vidusskolas komanda ir pārvarējusi uzņemšanas izlases konkursu un tikusi lasīšanas aplī.

Kopumā 2020./2021.m.g. Ventspils komanda izlasīja sešas grāmatas par dažādām tēmām, palielinot skolēnu vārdu krājumu angļu valodā par 600 vārdiem, kas atbilst A1 un A2 zināšanu līmeņiem.

Lai lasīšana angļu valodā kļūtu par ikdienas parādību, skolēnu lasīšanas komanda pildīja uzdevumus, veicinot atgriezenisko saiti, veidojot klases plakātus, grāmatzīmes, domu kartes, sastādīja krustvārdu mīklas, ko vēlāk apkopoja nelielā savas klases grāmatiņā.

Ir vērts pieminēt, ka skolēni lasīja grāmatas gan klātienē, gan attālināti, kad uzdevuma izpilde kļuva par nopietnu izaicinājumu. (raksts “VENTAS BALSS” – Apgūst valodu caur lasīšanu, 26.05.2021).

### Anne of Green Gables

- 1.) **Gilbert Blythe's Nickname for Anne:** "Carrots" is what he calls her due to her red hair, kind of a pet name or term of endearment. Of course Anne doesn't feel that way when Gilbert pulls her hair and she breaks a slate over his head.
- 2.) **Green Is 10 Times Worse:** After that incident with Gilbert, Anne decides to dye her hair so she wouldn't be teased about her red locks. Unfortunately, she doesn't know the first thing about dying hair and turns her hair green (it was supposed to be raven black!). Marilla decides that Anne can stay at Green Gables, and mentions that she might be a "kindred spirit".
- 3.) **Matthew's Death:** As Matthew and Anne bring the cows back home, Matthew suffers a heart attack. When Anne sits by his side, he confesses how proud he was of her, calling Anne "My little girl" before taking his last breath.
- 4.) **The Strap:** Anne becomes a teacher at an all-girls school, but things prove to be difficult on her first day when she encounters the Pringle sisters. The Pringles are a prominent family in Summerdale and always get their way. Jen Pringle made that known after she confessed to putting a snake in Anne's desk; when Jen refused to go to detention for the rest of the week she opted for the strap. Anne beat her hands three times, but Jen didn't flinch, showing Anne who was boss.
- 5.) **The Kiss On The Bridge:** Anne and Gilbert are older now and their feelings for each other have grown. They take a stroll across the pond and talk about their future plans. Anne wants to stay in Green Gables and continue to write and Gilbert intends on finishing medical school. Gilbert tells Anne, "It will be three years before I finish medical school, and even then, there won't be any diamond sunbursts or marble halls." To which Anne replied, "I don't want marble halls, I just want you." And they share a
